TOWN OF SELMA PAYMENT PLAN (PREPAID)

The Town of Selma recognizes that the COVID-19 pandemic has created financial hardships for some of our residential customers. In an effort to mitigate those hardships, the Town of Selma will offer payment plans for customers unable to pay their utility balances incurred between March 31, 2020 and June 1, 2020. Payment plans will require the following:

1. Prepaid accounts must maintain a positive balance after June 1, 2020
2. Past due balances must be paid as agreed to in the payment plan, in addition to your Regular prepaid account

Failure to follow a payment plan may result in disconnection of your utility services. The Town of Selma reserves the right to disconnect service if you do not abide by the terms of the agreement.

If utility services are disconnected for failure to follow a payment plan, reconnection will only be possible after full payment of any outstanding account balance.

To enter a payment plan, please contact:
