

Make Your Mark on History!!!!

Calling all citizens and businesses

who call Selma home!!!

The Town of Selma has purchased the American Legion gym and is now trying to raise \$300,000 to restore it as a civic center.

We need donations from individuals and especially businesses in our area. This civic center will be a tremendous asset to our entire community.

We need money, skilled labor, and materials. Donor plaques will be erected inside the civic center acknowledging your contribution. Please see the levels of awards listed below.

Be part of this great adventure! Make your mark on history! For more information about donating materials and/or labor, please contact Ann Williams at 919-609-4663 or williamsann51@gmail.com. Checks should be sent to the Finance Officer, Town of Selma, 114 N. Raiford Street, Selma, NC 27576.

Thank you in advance for your generous tax deductible donation!!!
