

Town of Selma  
Request for Services - Nuisance Abatement

The Town of Selma is requesting pricing for performing certain services. The services include mowing and trimming grass on residential and vacant lots, cleaning up and removal of trash, rubbish, yard waste, debris, junk, etc. The pricing will be provided as a per hour price. The prices provided will be maintained on file from August 31, 2018 –September 1, 2019.

In order to expedite the nuisance abatement, **three (3) contractors** will be selected to perform the requested services for the time referenced. The three selected contractors will be given jobs on a rotating basis. If any of the contractors are unable to perform the services within the allotted timeframe, the contractor with the next lowest price will be placed in the rotation.

Please provide job estimates below. Work will be awarded to three (3) contractors whose time estimate multiplied by the price per hour on file is the lowest price.
