

**Town of Selma Press Release #1  
Information Regarding COVID-19 Coronavirus  
March 13, 2020  
2:30pm**

The Town of Selma has been closely monitoring the COVID-19 (Coronavirus). Please know the health and well-being of our community remains our top priority, and we are working to bring you the latest information regarding the Town's operation, programs, and activities.

The Town continues to work closely and maintain consistent communication with Johnston County Public Health and Office of Emergency Management. The Town is also in communication with School District.

The following scheduling program and activities are now in effect:

- Youth indoor soccer games and practices are canceled from March 13-April 6.
- Youth baseball, t-ball, wee-ball, and girls softball player assessments and team practices are canceled from March 13-April 6.
- Adult Co-Ed Softball practices and games are canceled from March 13-April 6. Senior BINGO March 17 at McDonalds has been canceled
- Senior Pickle Ball March 18, 25, and April 1 has been canceled

All other Town operations, facilities and programs not listed are continuing as normal.
